Docket No. N2012-1

AMERICAN POSTAL WORKERS UNION, AFL-CIO,
NOTICE OF FILING LIBRARY REFERENCES
(May 14, 2012)

The APWU hereby provides notice that it is filing the following Library References related to the testimony of APWU Witness Kacha (APWU-RT-3), revised May 7, 2012:

1. **APWU-LR-N2012-1/1 Baseline and Post AMP Facilities and Routing Tables (public)**
 - Corresponds to APWU-LR-N2012-1/NP1, filed April 24, 2012
2. **APWU-LR-N2012-1/2 Baseline Validation Worksheet (public)**
 - Corresponds to APWU-LR-N2012-1/NP2, filed April 24, 2012
3. **APWU-LR-N2012-1/4 Cost and Productivity Calculations (public)**
 - Corresponds to APWU-LR-N2012-1/NP4, revised May 9, 2012
4. **APWU-LR-N2012-1/6 Model Sample Output Data (public)**
 - Corresponds to APWU-LR-N2012-1/NP6, filed April 24, 2012

These library references correspond to non-public library references filed by APWU as detailed above. The library references were originally filed under seal because they contain data extracted from Postal Service library references for which the Postal Service requested non-public status. However, after consultation with the Postal Service it was determined that some files contained in APWU's non-public library references could be filed publicly. Accordingly, today APWU has provided the Commission with public versions of the library references. The library references filed

today contain the same information as their corresponding non-public version, but in accordance with agreement of the Postal Service, each excludes files with proprietary information contained in the original non-public library references and redacts non-public data

Respectfully submitted,
